Level Three - 60 or more VSCs

Weather Forecaster Keychain Clock

Your Outdoor Survival Tool !! This amazing new pocket-sized instrument is packed with so many, novel useful functions, it's unbelievable! LCD digital face displays easy-to-understand weather condition symbols, forecasting a sunny, cloudy or rainy outlook for the day;

Provides current temperature and humidity readings as well as maximum and minimum temperatures (C or F), includes an alarm clock with snooze function, a calendar with date, day and year display, plus phases of the moon icon, a sturdy, built-in compass to keep your bearings, even an LED flashlight for emergencies in the dark. This little dynamo with large metal carabiner key clip measures only 3 1/2" x 1 3/4" x 3/4". Includes two replaceable button cell batteries.

Incentives are cumulative, if you do 60 or more VSC's **you will receive all 3 awards**.
At each level, when your verified VSCs appear in AuxData, **YOU MUST** complete and return the following form to the DSO-VE (1SR). Multiple levels on one form are acceptable. Upon verification, your incentive will be presented to you.

--detach----------

NAME:_____ **EmplD** _____

Address:_____
Street City State Zip Code

Division: _____ **Flotilla** _____ **(please fill in completely AND clearly)**

I have successfully completed level one of the VSC Incentive ☐
