

## **INCIDENT COMMAND SYSTEM (ICS)**

ICS 100, 200, 700 and 800 Exams, at this time, are only offered through FEMA. You will need to go to the FEMA website <http://training.fema.gov/IS/NIMS.asp> Then scroll down and click on the courses you want to take.

- IS-100.b Introduction to Incident Command System, I-100 On the right-hand side of the page, click on the Additional Resources “Download for Classroom.” These are the study materials you will need to take the final exam. Once you have successfully completed the exam, print a copy of your certificate and attach to your new enrollment application.
- IS-200.b ICS for Single Resources and Initial Action Incidents On the right-hand side of the page, click on the Additional Resources “Download Materials.” These are the study materials you will need to take the final exam. Once you have successfully completed the exam, print a copy of your certificate and attach to your new enrollment application.
- IS-700.a National Incident Management System (NIMS), An Introduction On the right-hand side of the page, click on the Interactive Web-based Course. These are the study materials you will need to take the final exam. Once you have successfully completed the exam, print a copy of your certificate and attach to your new enrollment application.
- IS-800.b National Response Framework, An Introduction On the right-hand side of the page, click on Option 1: Interactive Web-based Course. These are the study materials you will need to take the final exam. Once you have successfully completed the exam, print a copy of your certificate and attach to your new enrollment application.
